"Listen! A sower went out to sow. And as he sowed, some seeds fell on the path, and the birds came and ate them up. Other seeds fell on rocky ground, where they did not have much soil, and they sprang up quickly, since they had no depth of soil. But when the sun rose, they were scorched; and since they had no root, they withered away. Other seeds fell among thorns, and the thorns grew up and choked them. Other seeds fell on good soil and brought forth grain, some a hundredfold, some sixty, some thirty. Let anyone with ears listen!"

WORLD DAY FOR GRANDPARENTS & THE ELDERLY

"His Mercy is from age to age." July 23, 2023

Pope Francis has chosen this passage from Saint Luke as theme for this year's celebration of world day for grandparents and the elderly. The Vatican will again offer a plenary indulgence to mark the third World Day for Grandparents and the Elderly on July 23. The indulgence can be received by grandparents, the elderly, and all Catholics who, "motivated by the true spirit of penance and charity," participate in Pope Francis' July 23 Mass in St. Peter's Basilica or another Grandparents' Day celebration, or who visit the elderly, the Vatican said. We invite all our grandparents and the elderly to join our celebrations here at Cristo Rei & at Ss. Salvador do Mundo.

EARLY CATHOLIC FAMILY LIFE (ECFL)

June 25 to August 13

WELCOME to all the PARTICIPANTS!

Early Catholic Family Life (ECFL) is a program designed to draw parents and their children into faith community. We welcome young families and empower them to raise their children confidently with Jesus. We do this by connecting parents with their peers and helping them to learn the best practices in early childhood faith development. At the end of the day, Parents are the first and most important teachers of our children. Please see the bulletin board for more information.

Disse muitas coisas em parábolas, nestes termos: «Saiu o semeador a semear. Quando semeava, caíram algumas sementes ao longo do caminho; vieram as aves e comeram-nas. Outras caíram em sítios pedregosos, onde não havia muita terra, e logo nasceram, porque a terra era pouco profunda; mas depois de nascer o sol, queimaram-se e secaram, por não terem raiz. Outras caíram entre espinhos e os espinhos cresceram e afogaram-nas. Outras caíram em boa terra e deram fruto: umas, cem; outras, sessenta; outras, trinta por um. Quem tem ouvidos, oiça»
